

Pre-Game Service and Route Detours

3 hours prior to kick-off, additional buses and ADA service begins. ***At that time, all buses will service routes and stops inbound from off-campus to the loops and continue to Cassell Coliseum to drop off passengers.*** ALL buses (except TTT) will return to the loops after the Cassell drop-off. *Route buses should expect to run behind schedule.*

3 hours of pre-game service is intended to connect directly to Cassell for Game Day riders while maintaining the predictability of regular route service for non-game day riders.

Passenger counts on Game Day Extra Route buses for pre-game and post-game will be kept on Mentor. Special Game Day mentor fail sheets will be given to football shifts.
